

Class: Deer Class

Barndale Learning Plan

“What I learn today, prepares me for tomorrow”

Term: 22/23 Spring Term

Literacy Skills

During this term we will continue to work towards our NCFE Entry Level Functional Skills accreditations. We will be looking at biographies, job adverts and applications. During Spring Term 2 we will have a focus on environmental poetry. We will continue with weekly spellings and read books to help to improve or comprehension skills.

PSD/RSE

Managing Money and Leisure will be our focus in Spring 1. We will be looking at how to pay for an item, the difference between credit and debit, how to shop wisely.

Environment and Community Leisure in Spring 2, this will include how to be environmentally friendly and how we can have an impact in our community's leisure facilities.

Numeracy & Problem Solving

NCFE Certificate / Award in Mathematics:
Working with Numbers (Entry Level 1/2/3)

We shall look at all four operations in the number strand, properties of shapes and extract data from bar charts and diagrams.

Science Life Skills Challenges

In science, we will be looking at habitats and choosing suitable materials to create a bug hotel. We shall be looking at chemicals and drugs during the second part of the term.

Therapeutic Input: How do I regulate?

The Speech and language therapists will continue to work with us to improve our communication. The occupational therapist within school will also be advising strategies for use to develop our fine and gross motor skills. Some of us will be supported from one of our THRIVE practitioners.

Duke of Edinburgh Award

Physical: We will be attending the gym at Willowburn Leisure Centre to complete this aspect of the award.

Volunteering: We will be working around the school and in the community.

Skills: Through our Asdan programme, we will all be learning a new life skill.

Expedition: During our Forest School lessons, we shall be learning navigation skills to help with our expedition in the Summer Term.

Digital Skills

Following the NCFE Award, we will be using our skills to develop an idea/product and present to an audience using IT. We will sample a range of programmes to help us to do this, then evaluate which package we prefer individually.

Careers

We will continue to have weekly visits from Rachael Usher to help us with our future career choices. We will be having individual appointments with our Career Advisor and other professionals who will be able to share their own experiences which will help us to choose the relevant and appropriate pathway for our future.
