| Class: Foxes	Barndale Learning Plan	Term: Summer 2

Around the world in 80 days

Communication, Language & Literacy

This term, we will be focusing on discussion texts. We identify the features of them and use these features to help us create our own versions.

We will use Spelling Frame to help develop our spelling.

Our reading for pleasure book will be *Cosmic* by Frank Cottrell Bryce.

Science
Is it time to Rock?

We will study different types of rocks and how they are similar and how they are different.

We will find out how soil is created and in turn discover how fossils are made.

We will try to visit the Northumberland coastline to see the different layers of rock and how rocks wear down over time.

Enrichment & Ways to Wellbeing including PSHE
What makes me, ME?

Using our PSHE Online Resource, Jigsaw, we will investigate *Changing me.*

We will sensitively learn differences that take place in boys and girls during puberty. We will ask questions, however embarrassing we may feel about asking them.

Knowledge and Understanding of the World
A small but beautiful Island

During Geography, we will learning about the countries that make up the United Kingdom and Ireland. We will learn about the capital cities and major geographical points of interest of those countries.

RE
How does faith help when life gets hard?

We will make links between some of the beliefs and practises studied and life in the world today, expressing some ideas of own clearly. We'll discuss those people we depend upon when we feel sad or low.

Numeracy & Problem Solving

During Maths, our focus across our groups will be Shape. We will look at the properties of shape, 2D and 3D shape. We will investigate nets of a 3D shape We will continue to use TT Rockstars to help our fluency with our times tables.

Computing
What is easier? Pen& paper or computer?

In Computing, we will learn about Flat-file databases. Will discuss the differences between paper-based databases and Computer-based databases. We will learn how to use the data to represent the information using diagrams and graphs.

Art & Design Technology
Is art always created using paint?

With Faye, we will examine collage and how different mediums can be used. We will examine the collage art of Brianna McCarthy and make our own creations based upon her work.

Physical Education

In athletics, pupils are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, height, distance or accuracy and learn how to persevere to achieve their personal best.
