

# PE

## Curriculum Expectations

### Intent

Our PE curriculum is developed from the Get Set 4 PE framework. We chose this package as it specifically supports a broader development of skills and allows pupils to revisit key skills and progress from these. The curriculum covers the breadth and depth of PE curriculum and is enhanced further through the use of Sport Premium funding. Our PE is led by a single practitioner to ensure continuity in delivery and assessment.

### Implementation

PE will be taught through engaging, motivating and progressive units across the school. PE lessons will:

- Be motivational and accessible to all pupils
- Focus on personal progress and development
- Be led by all adults in the class
- Use interactive resources to support the delivery
- Use appropriate resources to aid focus and engagement
- Reflect on the progress and recognition of progress
- Be fun, enjoyable and accessible to all

### Impact

To evidence that our pupils can do more and know more in PE we will:

- ✓ Collate evidence to monitor progress
- ✓ Take videos and pictures of pupils
- ✓ Monitor teaching
- ✓ Review schemes of work
- ✓ Follow achievements through progression skills maps
- ✓ Use personal best pupil reflections
